Woodbridge Road Sports Ground in Festival Week

INFORMATION FOR HIRERS OF CORPORATE HOSPITALITY MARQUEES

THE GUILDFORD CRICKET FESTIVAL 2012

The London Olympics at the end of July mean that our annual Cricket Festival takes place a week earlier than usual, commencing on 11th July.

After securing promotion in 2011, **Surrey** return to Division 1 of the County Championship and will play last season's Champion County **Lancashire** at Guildford. This four day match runs from **Wednesday, 11th to Saturday, 14th July**,

This is followed by a CB40 limited overs match on **Sunday afternoon, 15th July** in which the **Surrey Lions** will take on the **Nottinghamshire Outlaws**. We expect the usual large attendances.

Dates

Wednesday, 11th July to Saturday, 14th July - Surrey CCC v Lancashire CCC (LV County Championship, four days). Play will commence at 11.00 am each day.

Sunday, 15th July – Surrey Lions v Nottinghamshire Outlaws (CB40). Play will commence at 1.45 pm.

Background on the Guildford Cricket Festival

The Festival is the traditional name for the week when Surrey CCC play professional county cricket at The Sports Ground in Woodbridge Road, close to Guildford town centre. There is always a distinctive Festival atmosphere – the ground is transformed by the erection of corporate tents on the boundary edge, along with stands and public seating for several thousand spectators.

The Festival has long been a popular way for the major local businesses to entertain clients and contacts in a stylish and relaxed environment.

Corporate Hospitality Marquees

High quality, steel framed Corporate Hospitality Marquees are available for hire throughout the Festival. From Wednesday to Friday inclusive, there will be 8 Marquees available each day. On the Sunday, due to the requirement for additional public seating and stands, there will be 4 Marquees available for corporate or private hire.

Some hirers take a Marquee on more than one day, and some take a double marquee. Marquees are all approximately the same size and layout and accommodate 40 persons in comfort (and up to 50 if necessary). The standard Corporate Marquee Package comprises:

- Marquee (interior size 9m x 9m) with private fenced garden paddock area to the front and tented catering area to the rear (with electric power points and running water);
- Interior and exterior furniture (round tables each seating 8 inside; garden furniture with umbrellas outside);
- 40 Ground Admission Tickets (additional tickets are available at £10 each); and
- 10 Car Park Passes to park on the ground.

Tickets, ground maps, and general information will be issued well in advance of the Festival, to give hirers time to send out invitations and information to their guests for the day.

Catering options

The hire charge for Corporate Hospitality Marquees is exclusive of catering. An attractive feature of the Guildford Cricket Festival is that every hirer is free to make individual arrangements, using his in-house team or regular external caterer. This means that catering can be as simple or elaborate as the hirer wishes. There is no obligation to use the services of a monopoly catering provider.

However, some hirers, including those not based in Guildford or new to the Festival, may wish to have assistance with catering arrangements. In 2012, Caper & Berry is again our **PREFERRED CATERING PARTNER.**
